AAU promotes security and safety in cooperation with "Aqdar"

In the framework of the Year of Zayed events, the Deanship of Student affairs at Al Ain University of Science and Technology organized a lecture on "Security and Safety" at Al Ain Campus, in collaboration with Abu Dhabi Civil Defense, presented by Mr. Younes Ahmad and Mr. Hamad Mubarak. And, it was attended by Dr. Ibtehal Aburezeq, Dean of Student Affairs, Colleges Deans, and academic and administrative staffs, and students.

The lecture dealt with the subject of security and safety, evacuation and fire operations, the main causes of fire, types of fire extinguishers, security and safety requirements in buildings. Also, the lecture included presentations on fires and their causes.

This lecture came within the framework of Al Ain University's efforts to enhance security and safety, spread security awareness and enhance its social role, as well as spreading the culture of security and safety in the field of education within the universities because of its wide positive impact in society.

It is worth to mention that, the lecture is one of the Khalifa Student Empowerment Program

'Aqdar' initiatives.
