“Toastmasters Club” and AAU promotes students public speaking

A workshop entitled Public Speaking and Toastmasters was held at Al Ain University of Science and Technology represented by the Student Recruitment Unit in collaboration with Emirates Foundation Kafa’at Toastmasters Club and Emirates Foundation, presented by elite trainers.

The workshop aimed to enhance the skills of public speaking and communicating, breaking the fear and tension, while addressing the public. It also included a definition of the art of dumping, its importance, characteristics, specifications of the good communicator and the elements of influence, as well as tips on how to present in front of the public, the perfect body language and tone of voice, as well as, how to control emotions and reactions.

The workshop was attended by academic and administrative bodies and AAU students, who interacted throughout the workshop by practicing on the stage, stressing the great benefits that came back from this workshop.
