## **AAU shows its academic programs and job opportunities**

As part of its keenness to participate in various educational exhibitions, Al Ain University of Science and Technology, represented by the Student Recruitment Unit participated in the Education and Future Job Expo 2019, organized by Prompt Connect Exhibitions for three days at Al Ain Convention Center, Al Ain city. Where this expo provided students with the unique opportunity to discover higher education and career paths.

Visitors of the AAU's pavilion were briefed on the AAU academic programs offered in different colleges, and the recreational facilities and services offered to students to create a distinctive learning environment that meets all their needs. As well as; the job vacancies.
