Al Ain University develop the youth skills

On the occasion of the World Youth Skills Day, the Deanship of Student Affairs in collaboration with the Ministry of Culture and Youth organized an interactive virtual session entitled; A Summer of Creativity and Entertainment was presented by Dr. Mohammad Al Dhaheri.

Dr. Al Dhaheri allocated a group of elements that contribute to developing youth skills, including time management, self-esteem, innovation and quality, indicating that every student is able to have these skills and develop them to be an influencer on their society. He pointed out that, the summer vacation is an opportunity to explore, develop and refine skills and talents.

Ms. Kawthar Kayed emphasized that young students must be able to explore their talents and develop their own skills to be creative.
