

Al Ain University

Professional Development Center > Goals and Objectives

Goals and Objectives

- To ensure engagement of all faculties and staff in learning and development
- To ensure that faculty and staff are equipped with the knowledge, skills, expertise and competency to undertake their roles effectively
- To ensure that the development needs of individuals and teams are met in line with the organizational need
- To ensure effective systems and processes for the identification of learning and professional development needs
- To ensure that staff development needs are equitably and fairly addressed within the University's diversity and equality frameworks
- All the staff; regardless of grade, experience, length of service, or level within the organization
